

IELTS Foundation Class:

IELTS Foundation Class: Start from 13:00am to 5:30pm five days a week for 12 weeks with strong emphasis on English grammar and vocabulary components. Students will study mixed material of listening, speaking, reading and writing in this class. Students will get familiar with IELTS test system and have some understanding of IELTS exam. In this class, all IELTS test sections are divided into small parts so that all the students could fully understand and be able to answer the questions. Students in foundation class will not only familiar themselves with IELTS, but also enhance their English foundation. This class very well prepares the students for their further academic English study in Universities.
